DANIELSON AND PUTNAM NEWS

DANIELSON

Herbert C. Keech, member of the court of burgesses, will be in all probability a candidate for the nomination for warden of the borough of Danielson. Mr. Keech was considering the matter favorably on Tuesday. He has been urged by his friends to become a candidate and is certain of strong support should be decide to do so. He has served the town certain of strong support should be decide to do so. He has gerved the town as a member of the board of selectmen has represented Killingly in the legislature and also is serving the beyough in official capacity. Mr. Keech is a republican, though politics have figured but very little for many years in borough politics, only one toket being named.

Another series of wildcat stories relative to Killingly's tile fabric plants are in circulation. These range from the possibility of the plants being sold to the Maharajah of Bokarah to their being turned into comfortable homes for the

turned into comfortable homes for the tired and cheerless. Not being otherwise occupied busy minds have been devoting themselves to idie speculation relative to the big plants which will be running again as soon as certain difficulties of a financial nature due to the sudden upset of boom conditions last summer-are adjusted. None of the mills are and to be missing in the near or distant fuure, all yarns to the contrary notwith-

Dr ang Mrs. W. E. Jadoon and their daughter, Mrs. Ethel Spalding, left Tues-day for Wast Upton. Mass., to attend the funeral of Dr. Judson's sister, formerly a resident of Danielson, who died suddenly last week when she stopped off with her husband to visit with friends at Sale Lake City on their way home from a vielt with friends at Salt Lake City on their way home from a visit in California.

lice, ever vigilant for rum runners, but one theory advanced here on Tuesday was that they probably were out shooting un-jitney or pleasure cars or warning someone that they might be expected to do

dents of the Providence street section will be in Hartford today (Wednesday) to appear before the committee on cities and boroughs of the lenislature in opposition to two proposed amendments to the city charter, which amendments provide, in effect, for the making permanent of appointments to the offices of captain of police, chief engineer and assistant engineers of the fire department and the superintendent of the fire along the superintendent of the superintenden perintendent of the fire alarm telegraph The opponents of the proposed amend The opponents of the proposed amend-ments will be represented by an attorney, it was stated here Tuesday afternoon. It did not seem likely, in so far as could be learned here Tuesday, that any strenu-

ous effort will be made to impress the members of the committee in favor of the amendments, which were introduced in the belief that it would be wise to take the appointments mentioned out of poli-tics and make the appointmen removable only for cause or an account of age.

Troubles that have existed in the fire department for more than two years past are said to be the underlying basis for the sharp opposition against the proposed measures that may appeared.

Residents of the northern section of the divergence of the contraction of the contraction.

Residents of the northern section of affecting Norwich and eastern Connecthe city remain particularly aggreed the titut were acted upon at today's session over fire department matters and sceres of the general assembly. The house confirmed the particular to the current with the senate's action of last legislature taking favorable action on the week in passing an amendment to the proposed amendments, and it has been charter of the Central Baptist church of stated that if any such amendments are Norwich, approved April 10, 1882, so to be made they first should be submitted that section one of the charter shall read to a referendum vote of the electors of as follows:

Opponents of the measure were expressing confidence on Tuesday that they will be able to sufficiently impress the committee on cities and boroughs to obtain an unfavorable report, and later a release to the measure. an unfavorable report and later a rejec-tion of the measures by the legislature. There came near being another day without business in the superior court here on Tuesday, when the cases of Paul kubaska and Helen Kubaska, separate actions, vs. Joseph Russenss were as in equity, and to purchase, receive, hold, signed for trial.

actions, vs. Joseph Russenas were assigned for trial.

Judge Webb and a jusy and practically all of the witnesses on both sides were assembled in the court room when a telephone message from Jewett City brought the information that Fusenas was ill at his home in that place and had been ordered by his physician to remain at home.

This announcement came as a great in equity, and to purchase, receive, hold, use, mortgage and convey any and all estate, both real and personal, necessary or convenient for the purposes of the corporation.

The senate concurred with the house's previous action in including in the trunk line system of highways the road from Willimantic to the Connecticut Agricultural college at Storrs and changing the ered by his physician to remain at home.

This announcement came as a great house for voting as Norwich city meet-lisappointment to all concerned, as a long of the light action was taken on the are to be maintained. After three years ciation of the senators of the liquid name of
